Raising Money all year round!

Once your organization is registered with us, you can start earning immediately and keep earning year round, even outside of a fundraising event. With year round fundraising, your organization only needs to remind your constituents that they can support you through www.partofsomethingbig.com. A Part of Something Big will send you 25% of all sales from people who name your group as the beneficiary and we will ship directly to the customer. Don't worry, it is not possible to complete ANY purchase transaction on our store without selecting an organization to support. We can even provide you with email-able links and a button on your organization's website that makes it easy for your members to support you through our program.

We are here to Support You!

Don't forget to use our posters and flyers to help promote your fundraiser in your community and organization. Check out our Tips for a Successful sale for more ideas how to get the most out of your efforts. Year-round, A Part of Something Big is happy to provide event ideas, educational opportunities, and lesson plans to all of our partners. Many schools will find it effective to combine the lesson plans with their fundraising drives to inform families about ways in which they can impact their world with their everyday buying decisions. At any time, you may email us at info@partofsomethingbig.com or call us at 888-807-5559 for questions, assistance, or further information getting your fundraiser off the ground.
